Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Thursday 07 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly fine with some warm sunshine. Locally breezy.

Today:
Rather cloudy in the west with some light rain and drizzle at times, mainly on the hills. Largely dry elsewhere, with some sunshine in the east, where it will feel warm. Breezy over higher ground. Maximum temperature 20 deg C (68 deg F).

Tonight:
A mostly cloudy and mild night to come with winds becoming light. Many places remaining dry, though some light rain or drizzle likely over western hills. Minimum temperature 12 deg C (54 deg F).

Friday:
Probably a dull but mainly dry start. Brightening up through the day leading to warm spells of sunshine for many by the afternoon. Light winds throughout. Maximum temperature 21 deg C (70 deg F).

Outlook for Saturday to Monday:
Rather cloudy and mostly dry Saturday, though some bright interludes. Patchy rain moving southeast overnight, clearing to brighter and fresher conditions Sunday. Breezier Monday with rain arriving from the west.
